📍 4247 County Road 137 Florence, AL 35633

---

## Description

**Freelance Django and Flask Developer specializing in backend web APIs for contractors and small businesses. Self-taught through real-world freelance work, I build fast, secure, and scalable web applications. Skilled in Python, Django, Flask, JavaScript, HTML/CSS, and database integration. Always looking to deliver solid results and grow with every project**
